

Buying Guide – Continence Care Products

Redland Healthcare is proud to stock an extensive range of high quality disposable continence care products from Euron, the European leader in continence care.

This guide is intended to help you make the right choice from the range, and contains useful information on all the Euron products we stock. We hope you find it helpful.

Of course, we appreciate that this guide may not answer all your questions, but don't worry – our team of trained and sympathetic staff are on hand to help and advise you, if you need them.

You can contact us on Freephone 0800 854052, or by e-mail at shop@redlandhealthcare.co.uk. Shoppers will also find a product enquiry link on each of our product pages.

The Products

As the European leader in disposable continence care, Euron have created a wide range of products, to meet the needs of all individuals, with the emphasis on comfort, discretion, and peace of mind.

All the products are available in a wide range of sizes and absorbencies, and with a choice this large, it's possible from time to time that we may not have the exact item you're looking for available on our website.

In this case, simply [contact us](#) and our professional team will be able to source the item you're looking for, or recommend an alternative.

Euron Flex

Shaped Pads With Anti-Leak Cuffs

Product Description

EURON FLEX is a range of anatomically shaped pads, designed to be used in conjunction with EURON NET reusable net pants. The range is suitable for moderate to heavy incontinence providing maximum security, comfort and discretion.

Features & Benefits

- The acquisition layer enables fast absorption of urine.
- Double absorption core (Hybatex™), containing super absorbent powder (SAP), ensures urine is rapidly acquired and absorbed, keeping the skin feeling dry.
- Odour Dry System (Active ODS®) prevents odour and maintains the pH of the skin at 5.5 to prevent irritation.
- Wetness indicator demonstrates when patient has voided urine.
- Soft polyethylene backing provides increased security and discretion: The soft backing is also colour coded to ensure easy identification of the range of absorbencies.
- Side elastics prevent leakage and maintain the pad's anatomical shape.

Euron Micro cotton feel

Shaped Pads With Adhesive Strip

Product Description

EURON MICRO COTTON FEEL is a range of anatomically shaped pads providing maximum security, comfort and discretion. The range is suitable for light to moderate incontinence and provides a choice of absorbencies to meet a variety of needs.

Features & Benefits

- The acquisition layer enables fast absorption of urine.
- Double absorption core (Hybatex™), containing super absorbent powder (SAP), ensures urine is rapidly acquired and absorbed, keeping the skin feeling dry.
- Odour Dry System (Active ODS®) prevents odour and maintains the pH of the skin at 5.5 to prevent irritation.
- Side elastics prevent leakage and maintain the pad's anatomical shape.
- Soft cotton feel backing provides increased comfort and discretion.
- Wide adhesive strip keeps the pad secure and perfectly positioned which prevents leakage.
- Ultra thin design provides maximum discretion.
- The adhesive strip is colour coded to ensure easy identification of the range of absorbencies.
